בְּאַהֲבָה

Great is the love you have shown us
Adonai, our God
Great, abundant mercy have you shown us
For the sake of our ancestors
Who trusted in you
And you taught them the laws of life
Be gracious unto us, as well, and teach us,
The merciful one - have mercy on us
And teach our hearts to understand and to discern,
To listen, to learn and to teach,
To preserve, act and manifest
All the words of your enlightening Torah
With love.
